

Pre-Designed Fast Track Build

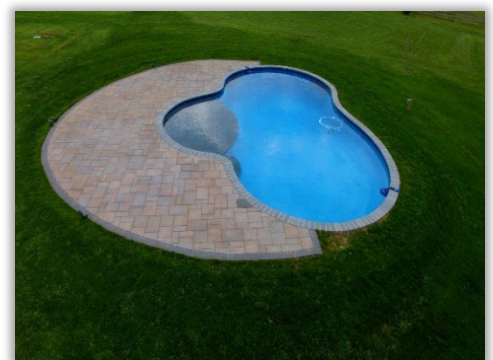

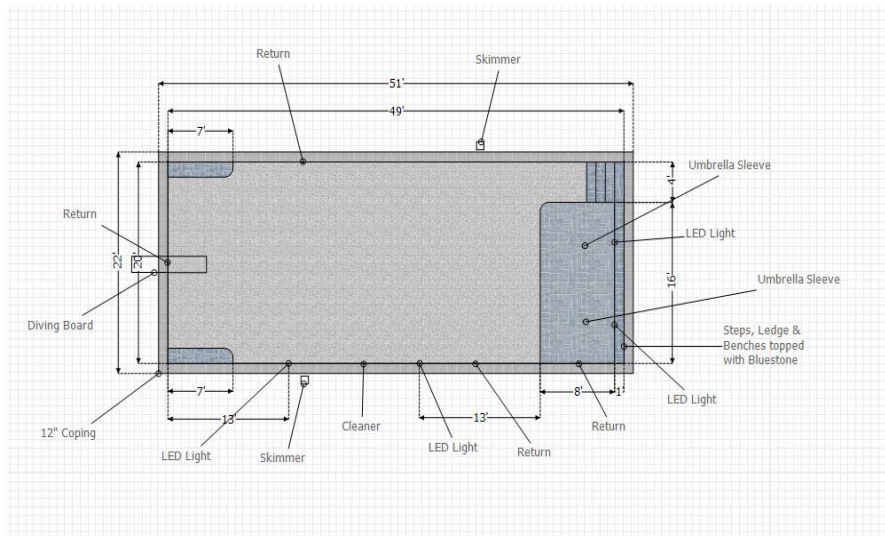

Looking for a turn key, quick pool build? Our Pre-Designed Fast Track pool build might be the perfect fit for you. Coastal Pools offers Pre-Designed swimming pools, that are equipped to fit any yard. These turn key designs, are ready to be layered on your plat to help expedite the permitting process.

Once a Pre-Designed pool is selected, Coastal Pools gets to work on your permitting process, and Pre-Schedules you an excavation date. We then set a meeting in our showroom for you to pick from Standard Stock selections to expedite the process even more. With our Pre-Designed Fast Track Pool Build, you are the general contractor, Coastal Pools builds the pool, has it ready for swimming and gets out of the way for you to finish your yard with whatever hardscaping and grading you see fit.

Benefits of a Fast Track Build:

- Quicker Build Times (Swimming in 3 Month)
- Standard Stocked Material Selections – No Waiting for Products to Arrive
- Ability to Get the Pool in and Swimmable and Finish the project (hardscaping, grading, landscaping) on your own timeline
- Pre-Designed Pools that Coastal Pools builds regularly means quicker Turn Around Times.

Time Frames quoted are based off of perfect build conditions; Weather and Issues with Property Access, Permitting or Other Unforeseen Circumstances could delay build times
